

The 4411 PRO account

Treat your customers and pay their parking via 4411

What?

- ✓ A stress-free visit for your customers thanks to paid parking via 4411.
- ✓ An extra service which guarantees you regular customers.
- ✓ Manage the parking sessions yourself via the digital platform my.4411.be.
- ✓ A detailed monthly invoice that bundles all your costs.
- ✓ Easy administration via the 4411PRO account.

How?

1 Register via my.4411.be
Create a PRO account via the homepage and fill in your company details.

2 Start a session
Via your PRO account on my.4411.be, you go to **'Parking'** and click on **'Start session'**. Here you fill in the details of your company followed by the **number plate** of the customer who wishes to park.

Start session	Active 1	Recent
Select a parking meter or zone*	BE	
	Select a city	
	Select	
Mobile phone number*	+32474123456	
License plate*	1ABC123	
* required fields		
Start session		

3 Stop a session
Via my.4411.be, you go to **'Parking'** and click on **'Active'**. Here you will get a clear overview of all current sessions. These can easily be stopped via the **'Stop session'** button on the right.
